### Junto Local 91 is on the Lookout for new collective members

Junto Local 91 is a collectively-run radical library in Winnipeg, offering books, zines, movies, and more on a wide range of topics, from sexual health, to indigenous struggles, to fiction, comics, and on and on. Whenever summer hits, it gets harder to keep the doors open to visitors since everyone runs off willy-nilly. If you ever wanted to try your hand as a librarian, think about joining the collective and working some shifts in the pleasantly air-conditioned library, on the second floor of 91 Albert street.
