Speak out Against the Winnipeg Police's Policy on Dissent

This Monday, June 12th, at 9am at City Hall is a meeting of the Protection & Community Services Committee on police policy toward dissent. This is a chance to give the city a piece of your mind about the violent arrests at Critical Mass two weeks ago. Critical Mass is not directly on the agenda, but you should, of course, feel free to bring it up, or any other city policing issue. The more numbers out there, the more space we can open up for ourselves to keep doing the work that we do. You need to register in advance. If they won't register you, try getting in contact with city councilor Gerbasi who may try get the committee to waive the rules and hear delegations on the issues. To register for the meeting contact clerk Wayne Gulnchyn at 986-2454 or wgulenchyn@winnipeg.ca.

Vote to Close the School of the Americas this Week

The US House of Representatives is voting this week on a bill to close the School of the Americas (renamed the Western Hemisphere Institute for Security Cooperation in 2001). The SOA has trained Latin American death squads, assassins, and torturers since its inception, and its graduates have been involved in military coups in several Latin American and Caribbean countries. Let your friends in the US know they should be phoning their representatives and telling them to vote for this bill. For more information visit <http://soaw.org>
