A nail in the coffin of women's equality?

The federal government has announced dramatic changes to Status of Women Canada that will eliminate federal funding to feminist organizations. Combined with the removal of the Court Challenges Program, this will end the era of Canadian democracy that recognized the need for state funding to marginalized groups. The Harper government has taken us one more step toward U.S.-style "democracy" where only the powerful have access to government.

Corporations Working Hard to Keep Chinese Slave Labor

Many of the largest corporations--many of whom contribute significant

amounts of money to the Republican and Democratic parties and their candidates--are doing everything possible to keep their slave wage heaven in China. Check it out: http://www.huffingtonpost.com/jonathan-tasini/corporations-working-hard_b_31642.html
