Anarchist Black Cross

The Winnipeg ABC is a group that will be raising awareness about political prisoners through information nights, group research and tabling of materials, letter writing (to prisoners), campaign support and fundraising. Among this they hope to start a Books to Prisoners program. While many of these items are for more immediate needs of those incarcerated, they support a society free of incarceration, prison abolition and alternatives to current structures.

Everyone involved has been working hard to get together 11 days of events starting Sunday with a fundraising brunch at the Mondragon. See above for this weeks events, additional events will be posted in next weeks usurpa.
