War Resisters Support Campaign Emergency Housing Appeal

Since the news broke that George Bush will be announcing an increased deployment of 20,000 troops to Iraq, there has been a huge response within the U.S. Military. The War Resisters Support Campaign has been inundated with requests from soldiers who are considering coming to Canada. This is an urgent appeal for housing spots for the new arrivals. If you have room where you can house a resister for a few days, a few weeks or longer, please get in touch with us. Welcoming a war resister here with the offer of temporary housing is a concrete way to help put an end to war in Iraq. Anything you can do to help would be greatly appreciated! Please contact: Tom at tomriley@pace-il.ca or Christine at 647.393.3096 or Leave a message at the War Resisters Support Campaign office: 416.598.1222, resisters@sympatico.ca

Free Bike Dump Workshop Series for Prospective Volunteers

In the next few weeks the Bike Dump, Winnipeg's volunteer-run community bicycle centre, will be running a free five-week bicycle repair workshop series covering all major areas of bicycle repair. The workshop series is intended for people who would like to volunteer helping others fix their bikes at least a handful of times at the Bike Dump this coming summer. If you were ever thinking of getting your bike skills up to snuff or of contributing to the local radical bike community, now is the perfect time. Space in the workshop series is limited, so please register by writing to macho@resist.ca.
